Paying for health care can be confusing and time-consuming. You have to figure out what’s covered by your accounts, remember your balance, and determine where to pay your bills and keep track of your receipts — a challenge when you’re not in front of a computer. The new Optum Bank® mobile app makes it easy. It has the tools you need when you’re on the go.

- Get a quick account snapshot anytime.
- Log in using the secure Touch ID fingerprint recognition or your password.
- Track your balance, recent transactions and contribution limits.
- Capture and submit receipts, and add receipts to specific expenses.
- Pay bills and track payments.
- Search for qualified medical expenses.
- Deposit money with mobile check deposit instead of mailing checks (future release).
- Reimburse yourself.
- If you have an HSA, discover how to maximize your account by viewing your progress through the five key stages.

App features do not apply to all products. Some app features may be available in later releases.

Health savings accounts (HSAs) are individual accounts offered or administered by Optum Bank®, Member FDIC, and are subject to eligibility requirements and restrictions on deposits and withdrawals to avoid IRS penalties. State taxes may apply. Fees may reduce earnings on account. Flexible spending accounts (FSAs) and health reimbursement accounts (HRAs) are administered by OptumHealth Financial Services and are subject to eligibility and restrictions. This communication is for general use only and is not intended for guidance purposes or as legal or tax advice. Federal and state laws and regulations are subject to change.
